

## Translate

Please follow these steps to translate websites to your preferred language:

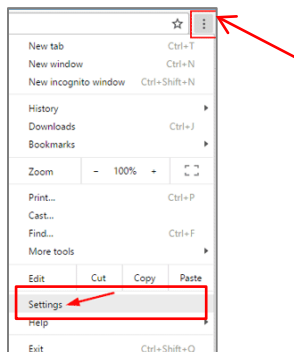

1. Open the Chrome web browser on your computer.
2. Open a website that you would like to translate to a different language.
3. A message will display at the top of the website page as follows:

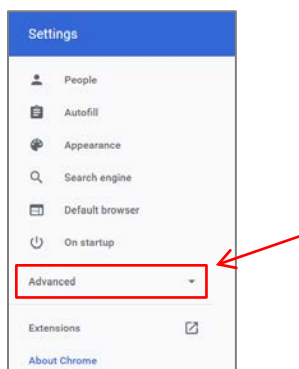

## Language settings

Chrome will automatically display in the language set for your computer. If you would like to change the language within Chrome (example, Portuguese: Brazil to Portuguese: Portugal):

1. Open the Chrome web browser on your computer.
2. Click the 3 dots  at the top right hand side of the webpage.
3. Click "Settings" at the bottom of the menu that will appear.

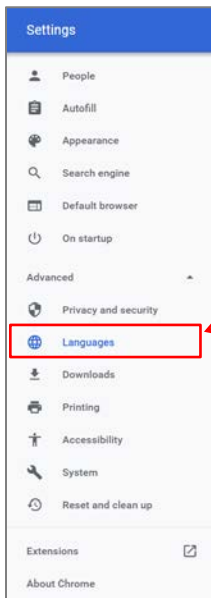

4. Towards the bottom of the "Settings" menu, click "Advanced."

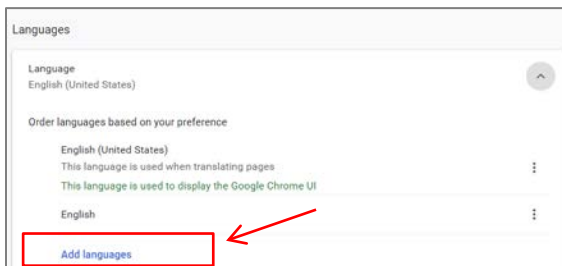

## Google Translate in Chrome

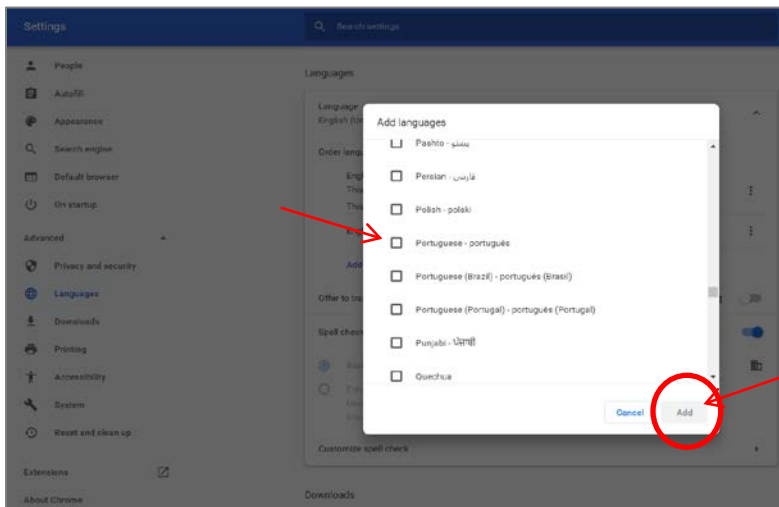

5. Under the "Languages" menu, click "Language."

6. If your preferred language is not listed, add the language by clicking "Add languages."

7. Locate your language on the list that will appear.
8. Check the box next to your preferred language.
9. Click "Add."

10. **Restart Chrome** for these changes to take effect. (Close and then re-open Chrome.)
