

Learning Circle Discussion Guide

ACE Survey

Directions

In your self-defined Learning Circle, a peer facilitator leads a discussion and/or role-play leveraging the talking points below to process the training content from the most recent learning event. Please reflect on all learning topics to date as you discuss today's content including personal life experiences and how these topics might be woven into your day to day work and ultimately impact those individuals you serve.

Discussion Questions

1. Based on what you learned in this session, how do you see using the ACE Survey or ACEs science being used in your role or organization?
2. What considerations should individuals or organizations have when including ACE Survey results and scores as part of assessments or progress notes? (EMR, charts, group notes, etc.)
3. If you are familiar with the ACE Survey, how have you seen it used in the real world? If you are new to this tool, what "ah-ha" moments did you have in this training?
4. If time permits and volunteers are willing, engage in a role-play where you practice the ACE Survey. Focus on:
 - a. Initiating the conversation and beginning the activity
 - b. Engagement with the person
 - c. Validate and highlight moments of resilience
 - d. Ending conversation
